NOTICE: Bonfires/open burning will be allowed only on the S-40 and when authorized by the appropriate personnel shown in paragraph B-1. All provisions for a safe bonfires/open burning must be met. Violations will be reported to the Judicial Administrator.

PURPOSE: This document provides general precautions and policy for those who plan bonfires/open burning as part of a University group activity associated with or residing on the S-40. It also provides the step by step sequence to complete the application process.

GENERAL INFORMATION:

A. At present there is only one area authorized on the S-40 for bonfire/open burning. The grassy area between Shanedling, Dauten & Rutledge, (Contact RCD to reserve). This is due to landscape changes, a decrease in green space and the increased size of trees and shrubs on the S-40. No exceptions will be granted.

B. An Environmental Health & Safety Professional, a Residential College Director, the Executive Director of Campus Life, the South Forty Manager of Housing Facilities or Facilities Coordinator, the Red Zone Maintenance Manager, the Facilities Ground & Landscape Manager, the Washington University Police Department and the Clayton Fire Department have the authority to disapprove bonfire/open burning if the conditions of this policy are not met. A bonfire will be allowed only when the following conditions are met.

1) STEP BY STEP COORDINATION: Point of contact information is provided in Attachment One.

   Step Two: Complete Attachment Two, Written Description of the event and make a copy for the WU Police Department and the Environmental Health & Safety Office. Have sufficient copies of the description so you can provide them to other people or departments upon request.

   Step Three: Complete Attachment Four, Application for Fire Safety Operational Permit per the instructions shown in Attachment Five.

   Step Four: Contact the Environmental Health & Safety Office, Occupational Safety Division at least three weeks prior to the date of the bonfire/open burning to obtain their signature on Attachment Three.
Step Five: Contact the Residential College Director for Shanedling, Dauten & Rutledge at least 14 days prior to the date of the bonfire/open burning. The Director must sign the open burning/bonfire checklist, Attachment Three, and the completed Clayton Fire Department Application for Fire Safety Operational Permit, Attachment Four.

Step Six: If your event is related to a Student Union or Greek Life group you should contact an advisor in Executive Director of Campus Life at 935-5994 or at osaleadership@wustl.edu at least 14 days prior to the date of the bonfire/open burning. The Advisor must sign the open burning/bonfire checklist, Attachment Three, and the completed Clayton Fire Department application for Fire Safety Operational Permit, Attachment Four.

Step Seven: Contact the South Forty Manager of Housing Facilities or Facilities Coordinator at least 14 days prior to the date of the bonfire/open burning. The Director or his designated representative must sign the bonfire/open burning checklist, Attachment Three.

Step Eight: Contact the Red Zone Maintenance Manager at least 14 days prior to the date of the bonfire/open burning. The Supervisor or his designated representative must sign the bonfire checklist, Attachment Three.

Step Nine: Contact the Facilities Ground & Landscape Manager, at least 12 days prior to the event. The Grounds Manager or his designated representative must sign the bonfire checklist, Attachment Three.

Step Ten: The Washington University Police Department, the Patrol Bureau Commander at 935-7697, or the Police Chief at 935-5514, must be notified at least 12 days prior to the bonfire/open burning date. A Written Description of the Event, Attachment Two, must be completed and provided to the Police Department. The Patrol Bureau Commander or Police Chief or his designated representative must sign the bonfire checklist, Attachment Three. NOTE: Immediate contact must be made with the W.U.P.D. in the event of any problem with the open burning/bonfire by calling 935-5555.

Step Eleven: The Clayton Fire Department must be contacted at (314)-290-8485, Monday through Friday, 9 a.m. to 4 p.m., at least 10 days prior to the fire to apply for the Fire Safety Operational Permit. The present fee is $25.00. Note: All permits must be submitted to the Clayton City Hall, 10 N. Bemiston Ave. Take the completed and signed permit application, the completed checklist with signatures. They will take the forms and forward them to the Clayton Fire Department. Once approved by the Fire Department, a permit is issued and you will be notified when you are able to pick up the permit and pay the fee.

Step Twelve: A copy of the signed permit, signed bonfire/open burning checklist and deposit check shall be provided to the Environmental Health & Safety Office, General Safety Division at least 2 days prior to the date of the event.

2) BONFIRE RESTRICTIONS:
Environmental Health and Safety

a) To prevent damage to grounds or other surfaces you must use an authorized self-contained or above ground fire pit from or approved by Residential Life.

b) An open burning/bonfire shall not be more than four (4) feet, by four (4) feet, by four (4) feet (16 square feet) in dimension and shall not burn longer than three hours. The size and duration of a bonfire shall only be increased or restricted by the Environmental Health & Safety Office, or the Clayton Fire Department. **No bonfire/open burning shall be allowed to burn on University properties after 10 p.m.**

c) Fuel for a bonfire/open burning shall consist of seasoned dry firewood and shall be ignited with a small quantity of paper or a fireplace starter log. The fire shall not be used for waste disposal purposes. **At no time shall gasoline, charcoal lighter fluid or any other flammable be used to start or re-start an open burning/bonfire.**

d) Bonfire/open burning allowed on the S-40 and shall not be less than 50 feet from any structure, trees or bushes and provisions shall be made to prevent the fire from spreading within 50 feet of any structure.

e) A bonfire/open burning is not allowed when there are a steady winds of 20 mph or higher, or gusts of wind that exceeds 30 mph, even though a permit has been issued.

f) The bonfire/open burning shall be constantly attended until the fire is extinguished. A garden hose must be available at all times when the bonfire is burning. The South Forty Manager of Housing Facilities or Facilities Grounds & Landscape Manager can be contacted for the use of the garden hose and connection.
